

Infrared Thermometer (with Marker)

Part Number **SK-8940**

20200402231604

Product Model	Radiation thermometer	Measurement Temperature Range(°C)	-40~500
Minimum Temperature Display(°C)	0.1/1	Drip-proof/waterproof function	NA
Width(mm)	45	Depth(mm)	80
Height(mm)	157	Distance to Measuring Range Ratio (D to S)	10 to 1
Power Supply	One 9 V Layered Battery (6F22) (Included)	Trusco Code	406-9277
Mass(g)	151	Features	Consumer Product Safety Act PSC Mark product. The emissivity is changeable. (Configurable between 0.30-1.00 at 0.01 step) With auto power off function.
Radiation rate	0.30~1.00	-	-
